Fontana Showers

Fontana Showers is a US business, which specializes in the supply of designer shower systems, shower heads, shower panels, faucets, hydromassage whirlpools, sauna, steam systems and much more... in contemporary and traditional styles all at lower prices than your local bathroom stores. Established 19 years ago, Fontana Showers sells its products through this website. We are able to make luxury bathroom products affordable for our customers The price you see for the products on this Fontana Showers websites is the price you pay no added taxes or duty. All our products comply totally with US specifications and regulations. Products are shipped by UPS or FedEx from our warehouse located in Fairfax Virginia. Fontana Showers takes great pride in the quality of its customer service, offering secure payments, a no-quibble top quality guarantee and free delivery on all orders with UPS or FedEx tracking on all orders.
